 - Contacts page – restored list of qualified professionals.

- Resources page – updated Hemlock FAQs, Info for Property Owners, Program Description, Quick Reference Dosing Card, Chemical-Contacts-Sources, Helping on Public Lands, Neighborhood Hemlock Help Planning Guide, Facilitator Job Description; new Introduction to Treating Hemlocks to be used with new Application Instructions for each type of product and each application method.
- Facilitators page – updated Facilitator Contact Lists, Letter to Retailers, Maintaining a Kioritz Soil Injector; new Becoming a Pesticide Professional, Caution Sign, Chemical Calculator, Facilitator Visit Checklist, Quick Reference Infestation Card, Volunteer Project Report, set of Application Instructions for Facilitators.

Planning for Hike and Help for the Hemlocks –

- * Date is Saturday, September 29. Will advertise heavily in advance.
- * Location will be Three Forks / Long Creek Falls / Stover Creek area. Bruce will lead an advance scouting trip.
- * Will need treatment teams with leaders and will encourage new Facilitators to participate. Will also need hike leaders.
- * We'll provide injectors, work kits and supplies; USFS will provide leadership for treatment teams and chemicals.
- * Will need to arrange for porta-john and wash station.

Budget –

- * Report on financial condition through end of 2nd quarter 2012.
- * Unexpected gift from Lake Rabun Fund, thanks to Buz.
- * Funding for Cartecay WMA project if approved.
- * Possible grant from Nature Conservancy.
- * Authorized signatories for checking account. Change Bylaws to require only one signature on checks.
- * Discussion of any adjustments needed to budget based on above decisions.

Next Board Meeting –

Saturday, September 29 at 9 a.m. immediately before our Hike and Help for the Hemlocks.

Save Georgia's Hemlocks
