What goals would you or your group like to accomplish in our time together?

What kind of presentation(s) would you like to have? (Choose any or all.)

- _____ General presentation to provide an overview of the hemlock problem, the options for property owners to save their trees, and the help that's available through Save Georgia's Hemlocks (about 1 hour)
- _____ Neighborhood Hemlock Help Project Planning to assist in developing a customized strategy, work plan, and estimates of cost, manpower, and time needed (about 1 to 1 ½ hours)
- _____ Facilitator Training (more in-depth training plus hands-on experience) to enable a core group to advise and help their neighbors and serve a key role in implementing a Neighborhood Hemlock Help Project Plan (about 4 hours)

How would you describe your group's level of knowledge about the hemlock problem and solutions?

Is there any special information you'd like to share that would help us serve you better?

Do you have the following available for us to use?

If not, no problem. We'll bring ours.
