

Save Georgia's Hemlocks

Save Georgia's Hemlocks is a 100% volunteer non-profit organization of concerned citizens dedicated to saving endangered hemlocks through education and charitable service.

We need your financial support and promise to use it wisely. And we hope you'll join us as an active volunteer to help carry out our mission.

SAVE GEORGIA'S HEMLOCKS GOALS:

- **Educate** – Enhance public awareness of the hemlock woolly adelgid crisis, current practical solutions, and emerging control technologies
- **Enable** – Ensure easy access to information, advice regarding economical solutions, and direct assistance for property owners
- **Encourage** – Establish a clear understanding of the aesthetic, economic, and environmental reasons for property owners to take timely and effective action to save their hemlocks

OUR SERVICES

Some of the ways we achieve our goals are:

- Hemlock Help Clinics
- Hemlock Help LineSM
- Educational print materials
- Soil injectors to borrow
- Facilitator training workshops
- Neighborhood hemlock project planning
- Programs for community groups and schools
- Charitable assistance to individuals
- Volunteer assistance to public agencies

BECOME A VOLUNTEER
