## Elementary School

North Georgia Master Gardeners Donna Shearer and Suzy Gruenhagen help Raelyn Hagler and Nathaniel Seabolt plant seedlings.

## Newspapers make great planting pots

Donna Shearer and Suzy Gruenhagen, both with the North Georgia Master Gardeners, visited Conner's third grade Junior Master Gardeners class and helped them make plantable containers from newspapers.

The guests then helped students plant the hemlock seedlings in their new pots.

Ms. Shearer then shared information on how to plant and care for their hemlock trees.
