

**Don't let *this* happen
to your hemlocks!
You can save them
if you act soon.**

**Saturday, September 14
Cloudland Canyon State Park**

At the Interpretive Center - Parking fee \$5 per vehicle

10 a.m. Hemlock Help Clinic - You're invited to attend a free presentation by Save Georgia's Hemlocks for information on what's killing our hemlocks and what can be done to save them.

11:30 a.m. – 3:30 p.m. Facilitator Training Workshop - For complete how-to instruction and in-depth volunteer training, please stay for this free workshop covering the trees, the bugs, assessing infestations, cultural controls, chemical treatments, biological controls, cost and safety, assisting property owners, working on public lands, and more. Registration and Clinic attendance are required for this class.

Come learn how YOU can help save the hemlocks!

For more information or to register for Facilitator Training Workshop, call 706-429-8010 or e-mail donna@savegeorgiashemlocks.org
