

Save Georgia's Hemlocks

Congratulations! You're an official Hemlock Hero!

As a Hemlock Hero, you promise to:

- Spread the word about the threat to our hemlock trees.
- Tell people how they can save their hemlocks and whom to call if they need help.
- Keep your eyes open for signs of the Hemlock Woolly Adelgid and report it if you see it.
- Take care of your own hemlocks and plant more whenever you can.

YOU make a difference, and the hemlocks thank you!
