

Checklist & Budget - Hemlock Sapling/Seedling Rescue

This document lists the equipment and supplies needed for hemlock sapling/seedling rescue projects. Except for items marked with an asterisk, all materials are to be provided by the project sponsors/leaders.

Volunteers are responsible for their own personal protective equipment (PPE), including face coverings, long pants, long sleeved shirt, sturdy footwear with socks, and jacket or rain gear as needed. Project sponsors/leaders are responsible for verifying PPE.

Volunteers under the age of 18 must bring a permission form signed by a parent or guardian. If the project will extend over lunch time, all volunteers should bring their own sack lunches and drinks.
